FYPON® FAST FACTS

MODERN FARMHOUSE SHAKER-STYLE SHUTTERS

Style, Performance, Service. That's the Fypon® advantage.

## RELAXED SOPHISTICATION

Discover casual, practical design with a modern twist. Fypon's new Modern Farmhouse Shaker-style Shutters deliver an authentic look with subtle elegance. Modern Farmhouses can range from clean and simple to complex and sophisticated, and our Shaker-style Shutter expansion pairs perfectly with both relaxed and formal variations of this on-trend home style.

## FAST FACTS

MODERN FARMHOUSE  
SHAKER-STYLE SHUTTERS

## FEATURES

- Adding or replacing Shutters is one of the easiest ways to add charm to a home and enhance its curb appeal.
- Modern Farmhouse Shaker-style Shutters can be painted to complement a home's architectural design.
- Ideal for use throughout the home, Modern Farmhouse Shaker-style Shutters feature a classic barn door design that works for both exterior and interior applications.

## BENEFITS

- Crafted from durable polyurethane, Fypon's Modern Farmhouse Shaker-style Shutters are lightweight and easy to install.
- They are insect- and moisture-resistant, and won't warp, crack, rot or split.
- Backed by a lifetime limited warranty.

## SIZES

- Available widths include 12", 16", 18" and 24".
- Available in heights measuring 24" to 120", in 1" increments.

## Part Number Logic:

SHMFH12X24			
[Profile]			
SH = Shutter			[Height]
[Configuration]		[Width]	(1" Increments)
MFH = Modern Farmhouse style		12 = 12"	24 = 24" [Minimum]
		16 = 16"	120 = 120" [Maximum]
		18 = 18"	
		24 = 24"	

Note: Sold in pairs.
