FYPON® FAST FACTS

SHAKER-STYLE SHUTTERS

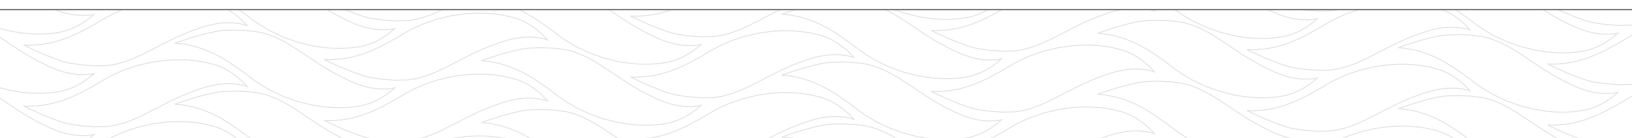

Style, Performance, Service. That's the Fypon® advantage.

## CASUAL AND TIMELESS

Add grace and charm to any home with our new Shaker-style Shutters. The 2-flat recessed panel stile and rail construction honors the timeless architectural details of both classic and modern Craftsman-style homes.

The simple design emphasizes quality craftsmanship and complements a variety of home styles.

## FEATURES

- Adding or replacing Shutters is one of the easiest ways to add charm to home and enhance its curb appeal.
- Shaker-style Shutters can be painted to complement a home's architectural details.
- Features 2" wide stiles with 2 ½" wide rails. Stiles are 1 ½" deep with ⅝" recessed panels.

## BENEFITS

- Crafted from durable polyurethane, Fypon's Shaker-style Shutters are lightweight and easy to install.
- They are insect- and moisture-resistant, and won't warp, crack, rot or split.
- Backed by a lifetime limited warranty

## SIZES

- Available widths include 12", 16" and 18".
- Available in lengths measuring 24" to 120", in 1" increments.

### Part Number Logic:

SH2FP12X24		
[Profile] SH = Shutter		[Height] (1" Increments)
[Configuration] 2FP = 2 Flat Panel	[Width] 12 = 12" 16 = 16" 18 = 18" 24 = 24"	24 = 24" [Minimum] 120 = 120" [Maximum]

Note: Sold in pairs.
