## Out Of The Box and On The House

Why use trim that you have to work for when you can use trim that works for you? Right out of the box, Fypon urethane millwork is ready to install. There is no need to prime, glue or fabricate pieces on the job site, and the quality is always consistent. Fypon trim provides a beautiful look without the hassle, saving you time and money. For all your trim needs, Fypon has you covered from peak to plinth.

\* Material and labor costs are based on a field study conducted in June 2009 and represent the average material and labor costs of the participants; figures have been rounded. For complete detailed information regarding the study, visit [www.fypon.com](http://www.fypon.com).
